

## **General English Course Outline.**

- Communicate effectively in English for social and academic purposes
- Read and understand texts of varying lengths
- Understand and use effective writing skills
- Use grammatically correct simple and complex structured sentences

**Reading**: to be able to read and understand language and descriptions of topics from a variety of texts.

**Writing:** to be able to write describing impressions, feelings and experiences and to write about familiar topics.

**Listening**: to be able to understand familiar topics and be able to understand speech on a variety of subjects such as work, school, leisure and the main points when listening to current affairs.

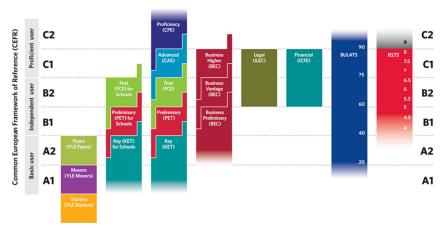

**Speaking**: to be able to talk about familiar topics and to give explanations and reasons for opinions, past actions and future plans, also to recount the story of a book or film and deal with most situations in an English speaking environment.

**Grammar**: to be able understand and apply the body of rules surrounding English grammar in everyday contexts, including the use of nouns, adjectives, verbs, prepositions, tenses, sentence structure and phrases.

**Vocabulary Topics:** develop vocabulary connected with topics such as leisure, work and employment, entertainment, travel, home and money. Use adjectives to describe character, relationships, feelings and the like including opposite and negative adjectives.

## **Cambridge English**

A range of exams to meet different needs
